

Thank you for contacting the Literacy Council for San Luis Obispo County and expressing an interest in volunteering. We have enclosed information for you about The Literacy Council and about our up-coming training sessions.

We always need tutors. Our tutors work with both native speakers (Literacy) and learners from other countries (English As A Second Language.) It is not necessary to know the first language of your ESL learner; our teaching is in English. Our training prepares you to work with both groups. We have centers throughout San Luis Obispo County.

Please fill out the pink sheet and the training workshop sign-up sheet and return them to us at your earliest convenience.

Thank you again for your interest in The Literacy Council.

Most sincerely,

Virginia Mack
